

Melt It

(Psalm 139)

Search me; know me; know when I sit and when I rise
Good thoughts, bad thoughts - there's nothing I can
disguise

*For You know when I go out. You know where I lie down
There's nowhere I can go that You will not be found*

So hide me, guide me; night is like daylight to You
Lead me, test me and see everything that I do

*For You know when I go out. You know where I lie down
There's nowhere I can go that You will not be found*

And before I speak a word You know what I'll say
Such knowledge is too wonderful; it just blows me away!

**You search me and You know me
You test me - see everything**

So take it, break it; do what You will with my heart
Melt it, mould it; take every motive apart
Yes, take me; make me all that You want me to be
Search me, try me; there's nothing You cannot see!

*For You know when I go out. You know where I lie down
There's nowhere I can go that You will not be found.*
