

Oh, freedom!

Oh, freedom, won't you come to me tonight?
Oh, freedom, I need to know everything's alright
Oh, freedom – you know I ache for you sometimes
I'm tired of being bound and I want to be held

Oh, freedom, won't you come to me today?
Oh, freedom, take all my chains away
Oh, freedom – you know I cry for you sometimes
I'm tired of being bound and I want to be held

***So hold me, enfold me.
Spirit of freedom come to me
Take me and make me
Everything that You want me to be***

Oh, freedom, come sweeping over me
Oh, freedom! Oh, sweet liberty!
Oh, freedom – you know I long for you sometimes
I'm tired of being bound and I want to be held

***So hold me, enfold me.
Spirit of freedom come to me
Take me and make me
Everything that You want me to be***

Oh, freedom, please come down from above
Oh, freedom, I just want to be free to love
Oh, freedom – you know I yearn for you sometimes
I'm tired of being bound and I want to be held.
I'm tired of being bound and I want to be held – oh yes
I'm tired of being bound and I want to be held.
I'm tired of being bound and I just want to be held.
